Hi, dear Ehud! In addition to my previous email, it turns out that the AEF will be on 25-26 of May, the ICC meeting on the 25 - 27 of May. Hopefully the problem will be resolved prior to your arrival in Astana. Cheers. P.S. Association of Kazakh diplomats requested me to check with you if an hour long meeting would be possible during your stay in Astana to hear your views on international and regional security. The Association is a public non profit organization of which I am a member of the Council. Would you agree to meet with young and not so young diplomats?

> Shalom, dear Ehud! Only today I have been able to speak with knowledgeable people about the situation around your contract. They were outside the RK. The main thing is still bureaucratic hurdles within the BDK. Expectations are that smth will come out soon. A trusted aide of the PM, Anuar Amirkhanov is responsible for the final solution and is working on this with the Baiterek. They want to resolve before the Astana Economic Forum which is planned for dates after the 20th of May. You will be invited to the AEF along with other members of the ICC. The next meeting of the ICC itself will be separate, some time in June. I should get some additional, more specific information on the contract situation soon and will be in touch immediately. Cheers, best to Nili.

By the way, Anuar is not to be addressed as Ukimet, that's part of his email address meaning "Government". His correct family name will be communicated later. Will be in touch immediately upon getting some information. Best to Nili.
